

TENNESSEE DEPARTMENT OF REVENUE

**Application for Certificate of Exemption for Sales and Use Tax for
the Spallation Neutron Source Project**

Public Chapter 540 exempts from the sales and use tax any spallation neutron source facility funded by the U.S. government or instrumentality thereof and not funded with any state funds and located at a national laboratory. The exemption covers any property that becomes a component part of, or that is used **exclusively** in operation or repair of, the facility as well as any services or materials furnished the facility and used **exclusively** in its operation. Also exempted are any property, services, building materials, machinery, equipment, supplies, repair parts, replacement materials or other items used **exclusively** in the construction, operation or repair of the facility.

In order to make qualified purchases exempt from sales and use tax, contractors must complete and file an application with the Department. If approved, the Department will issue a Certificate of Exemption in the name of the contractor. The contractor must issue a copy of the Certificate of Exemption to its vendors in order to make purchases exempt from sales and use tax.
