SECURITY

Leveraging our unique capabilities, ORNL delivers solutions to safeguard people, infrastructure and the economy through scientific and technological breakthroughs.

NEUTRON SCIENCES

at Oak Ridge National Laboratory

Proposal Call 2026 is scheduled to close March 4, 2026. 

The Fall Proposal Call deadline has not yet been set.

Deadlines are subject to change based on facility needs.

The User Office will communicate any date changes on the website and in the user newsletter.

INNOVATION

ORNL's discovery science, enabled by multidisciplinary teams and powerful research tools, translates advancements to address priorities. We deliver breakthroughs that move innovation from the laboratory to large-scale impact.

2026

COMPETITIVENESS

ORNL accelerates the transition of research into real-world applications to drive economic prosperity, reduce costs, and give industries an edge. We foster innovation networks that create jobs and grow industries.
