

NEUTRON SCATTERING GRADUATE PROGRAM

APPLICATION

One Bethel Valley Road
Oak Ridge, TN 37830

Title of research project

Full name of student

Academic institution

Department

Faculty mentor

ORNL staff mentor

Desired period of student visit to ORNL

Proposed dates

Is an intermediate trip to the home institution required? Yes No

List completed or approved neutron scattering user proposals related to this project by IPTS number

Attach research proposal (maximum three pages):

The proposal is prepared jointly by the student, faculty mentor and ORNL mentor. It should outline the details of the project, scope of work at ORNL, expected outcomes, and importance of this program beyond general user proposals in achieving desired goals. In addition to specific important research goals, one goal is developing advantageous longer-term collaborations with this academic group or institution. Provide a justification for any required trips to and from the home university.

In addition to this application, please complete and attach the following with the required documents:

Student Information form

Faculty Information form

ORNL Staff Information form

Return all completed forms and requested attachments to NSDStudents@ornl.gov.
